

Norlab Calibration Gases and Equipment is pleased to announce new shelf life expiration dates for our reactive gas products. After completing extensive comprehensive stability testing, we are confident and excited to announce the new expiration dates to the products below.

As our stability testing continues on our products and our commitment to quality improvement continues we will be extending more reactive gas expiration dates.

Product	Old Norlab Warranty	New Norlab Warranty
Hydrogen Sulfide >5PPM (includes 4gas blends)	12 months	24 months
Sulfur Dioxide	12 months	36 months
Phosphine	12 months	24 months
Hydrogen Cyanide	6 months	12 months
Ethylene Oxide	6 months	12 months

These changes went into effect January 1, 2014.

If you have any questions please contact your regional representative or Norlab customer service at (800) 657-6672.
